

How to Install DoD Certificates for Safari

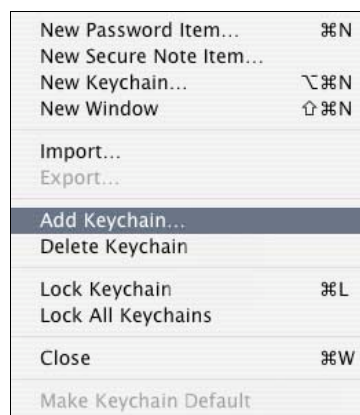

Step 1).

Open the utility "Keychain Access" which is typically found in the "Utilities" folder within the "Applications" folder

Step 2).

Under the "File" menu, select the "Add Keychain..." menu item.

Step 3).

Navigate to and load:
"/System/Library/Keychains/X509Anchors"
Then, repeat step 2, and load:
"/System/Library/Keychains/X509Certificates"
